

Rafting

Montréal

PARTICIPATION WAIVER

Dear parents,

We are pleased that your child has the chance to experience one of our Rafting or Jet Boat excursions this summer.

Les Excursions Rapides de Lachine offers trips adapted to people of all ages. Two different types of expeditions are available: the family excursion, more peaceful and the adventure excursion, for the intrepid travelers.

We ask you to complete this form in order for your child to participate in our activities. This formality is required by Aventure Éco-tourisme Québec, a dynamic association working hard to represent, defend and promote the adventure and ecotourism interest, but mostly, to verify compliance with safety standards, both in term of the material and knowledge. It ensures each year the updates of the completed training and the guide's expertise.

We understand that some of you might be worried. Rafting and Jet Boating activities, by nature, involve some risks (grazes, bruises) or falling in the water. However, we would like to inform you that at Les Excursions Rapides de Lachine, safety is our priority and we make every effort to ensure a smooth and enjoyable journey to each participant. The security requirements concerning white water activities are systematically applied and our professional guides frame and supervise participants throughout the excursions.

Rest assured that your child will experience a memorable outdoor day!

Participant name: _____

Parent or guardian name: _____

Address: _____

City: _____ **Postal code:** _____

Telephone: _____ **E-mail:** _____

Parent or guardian signature: _____ **Date:** _____

We thank you for your collaboration.

Les Excursions Rapides de Lachine team
